Deputy Director

District Statistics & Evaluation Officer  
Udhampur

## PREFACE

The District Statistical Agencies have been charged with the responsibility of collecting the data and presenting the same in the shape of various District Level Publications annually. Village amenity Directory is one of such publications which are published every year. This document provides vital information about location, area, demography and basic amenities available under various sectors of the economy in all the villages falling in the District. The Present Issue of Village Amenity Directory is 34<sup>th</sup> in the series and pertains to the year 2015-16. The Publication contains updated data of the villages and will definitely help the decision makers and the planners about the development changes taking place in the district.

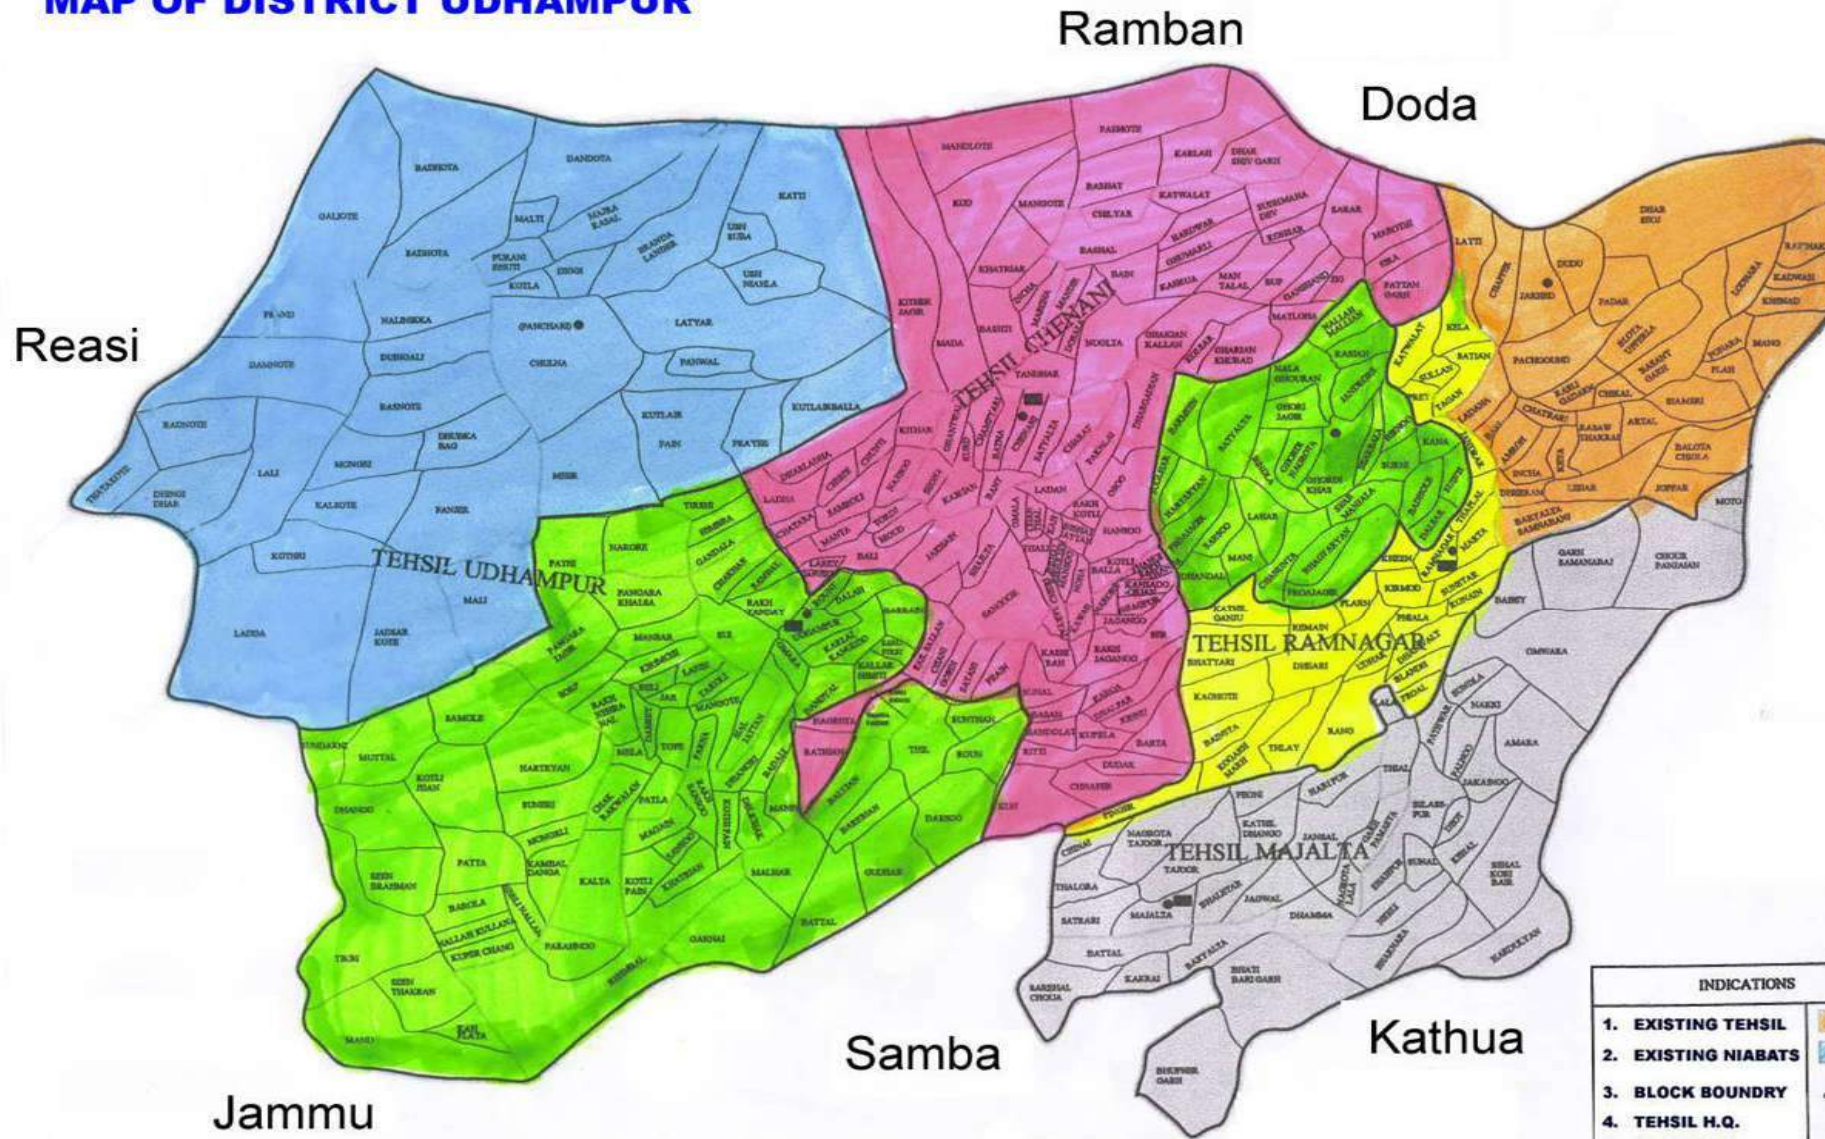

I am highly grateful to all the source agencies for their active support by way of making available necessary data for this publication. I also place on record my appreciation for the sincere efforts put in by the team of officials who worked hard for bringing out this publication.

Any suggestions for its further improvement shall be duly acknowledged.

  
(Noor-ud-Din)

Deputy Director  
District Statistics & Evaluation Officer  
Udhampur

# INTRODUCTION

The district has been named after Raja Udham Singh, the eldest son of Maharaja Gulab Singh who was the founder of Dogra Rule in Jammu and Kashmir. This important town is the headquarters of the district and Tehsil Udhampur. The district is situated in the southern part of the Jammu and Kashmir State and is bounded on the West by Reasi District, in the North by Ramban, in North-East by Doda District, in South-East by Samba & Kathua Districts and in the South-West by Jammu District.

The district having an area of 2380 sq.kms.(according to village papers) accounts for about 1.08% of the total provisional area of the State. It accommodates a population of 5.57 lakhs as per 2011 census i.e. about 4.5% of total population of the State. In the District out of the total population, Scheduled Castes constitute about 24.96% while as Schedule Tribe population works out 10.14%. The density of population is 211 persons per sq.km. It has 357 Villages, out of which 4 are uninhabited .The detail of which is as under:

<b>1.</b>	<b>Census Village (2011)</b>	<b>357</b>
<b>2.</b>	<b>Uninhabited Villages</b>	<b>04</b>

These villages are grouped into 236 Panchayats, 17 community development blocks, 8 Tehsils and 4 subdivisions. The climate of Udhampur varies according to altitude. The temperature rises sometime as high as 42 degrees centigrade and seldom goes below 1.5 degree centigrade in high altitude areas.

The District mostly being hilly has very difficult terrain. It is estimated that 84% population is residing in rural areas & is mostly dependent on agricultural sector. The farmers have very small holdings ranging from 1 to2 hectares and cropping intensity is 179%. 3794 hectares area is irrigated which forms 7.81% of the total cropped area. This depicts that farming community is mostly dependent on rain for the cultivation of their 92% cultivable area. Balanced rains are hardly expected in any season. In case of less rains, drought like conditions are created whereas excessive rains cause flood havoc in the district. Most of the areas remain covered under snow for most of the time in a year thus depriving any activity in that very area. The lack of communication facilities in the hilly/non-accessible areas have led to the high cost of construction & execution of development Programme. This all has affected the up-liftment of the public in the district.

Another area of the concern for the government and public is the onset of the militancy in the hilly belt of Dudu Basantgarh touching the areas of the Doda districts which are otherwise also very backward and has been declared as bad pocket. What so ever little infrastructure was available in those areas have either been totally destroyed or damaged to a great extent. The scare financial resources and the active militancy are coming in the way for the restoration /creation of the infrastructure in the district.

## Statement showing the Constituency Wise Data of District Udhampur

S.No	Constituency	No. of Panchayats	No. of Villages			No. of Towns	No. of Wards	No. of Households			Population 2011			Schedule Caste			Schedule Tribe
